Dear Christine **RE: Redecoration Works**

I would be grateful if you could spare the time to write a few comments regarding the service you have received from Luxford-James. Please write in the box below & return in the envelope provided. I have recommended Jayson to family and friends as his work is of a high standard with great attention to detail. He goes the extra mile in achieving the desired result and always keeps everything neat and tidy. I have also found him to be a delight to have around. Will of course be calling upon him again for my next project.

Thank you for entrusting Luxford-James with your property improvements.

Yours sincerely
